Light Up Your Life...

 Like us on Facebook

Lighting brings a room to life. It creates mood and ambiance, connecting you to the spaces you're in. For over three decades, Circa Lighting has produced high-quality, professional designed products ideal for any space. Visit our showroom or circalighting.com for more information on their products.

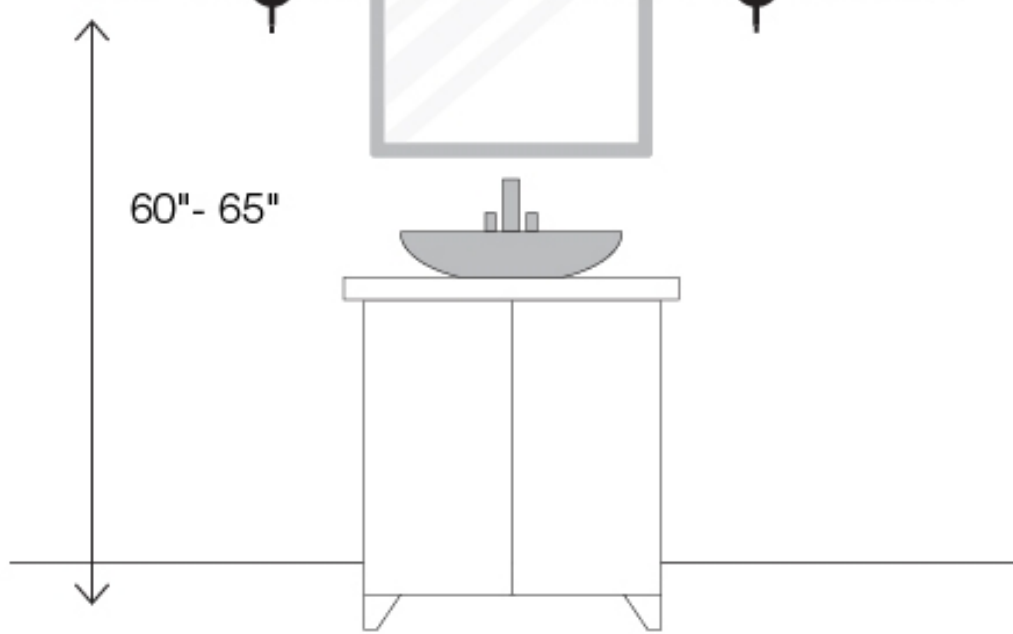

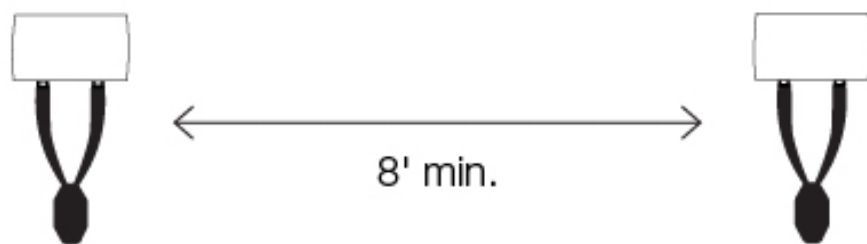

Kitchen and bath design for a remodel or update, our design professionals can provide all the resources and information you need.

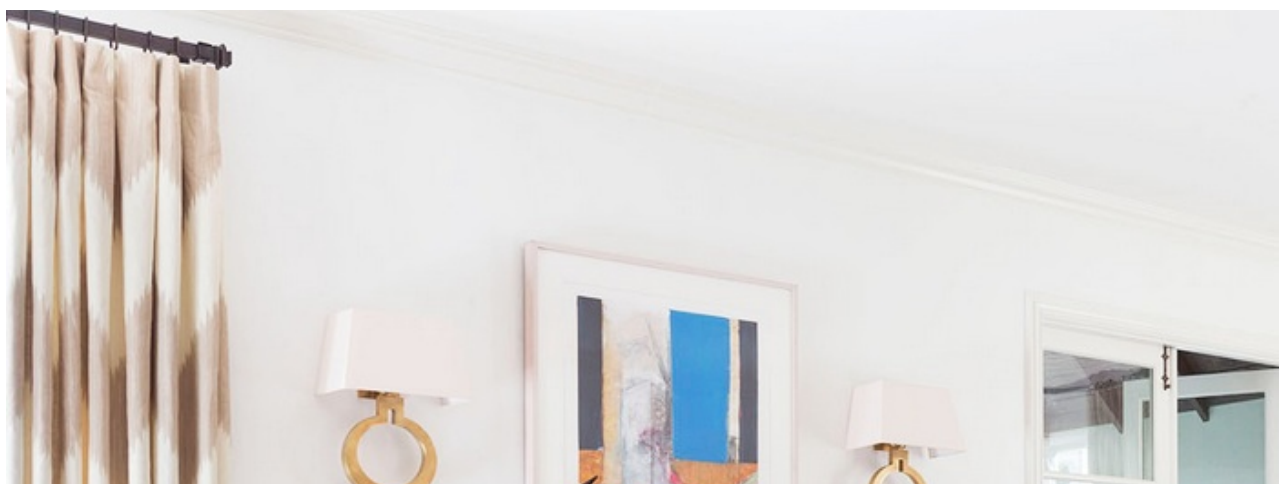

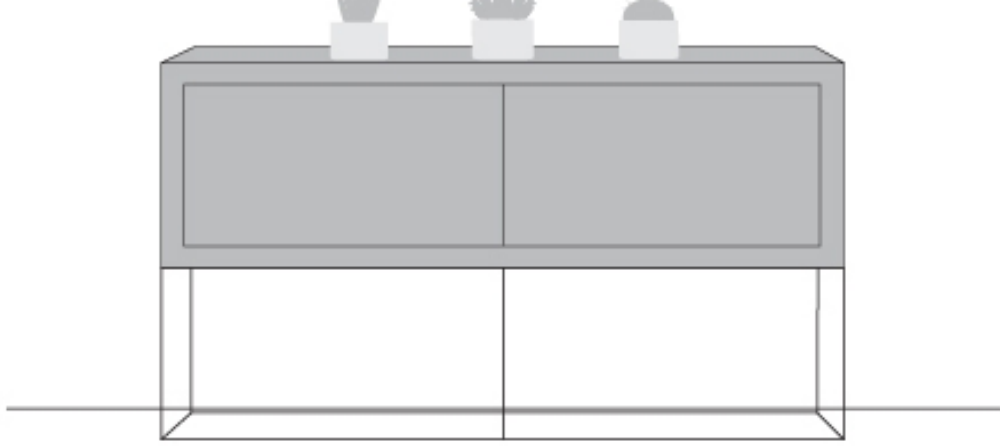

We also offer professional and designer discounts.
